Subject: June EQC Meeting: Temperature Informational Item
Date: Monday, May 19, 2014 12:45:40 PM

Hi Alan

Got your voice message.

I am not sure what form or part for EPA just yet for the June EQC discussion of temperature.

We probably need to ask some questions around here and then get back to you.

I am on an ag WQ tour in Eastern Oregon the next couple of days and back in the office on Wednesday. Maybe we can discuss later this week?

cheers

Gene
